Rebus Intl Inc can now perform internal Audits

Commercial Manager at Rebus Intl Inc., Afzar Zaidi recently completed ISO 9001:2015 Internal Auditor (TPECS) certification program from BSI, an exemplar global certified training provider for Internal Audits on Quality Management system and Management system auditing modules.

Through this certification he has gained the essential knowledge and skills an internal auditor needs to comply with generic internal auditing requirements in management system standards.

Rebus Intl Inc. understands how an ineffective audit can lead to severe consequences - resulting in process failure, customer dissatisfaction and regulatory noncompliance. By learning to audit processes in relation to the internationally recognized ISO 9001:2015 Quality Management Systems, we have now optimized our auditing skills to boost internal audit capabilities.
